This workshop is designed to introduce, develop and improve your knowledge and practical skills in clicker training. Topics include learning theory, how to

get the behavior, quality when to add the cue, how to change cues, building reliability. Shaping and backchaining will be practiced. Demos, videos, lecture and lots of hands on training. The casual trainer, competitive trainer (Rally, obedience, agility and herding) and the professional dog trainer will all benefit from this informative workshop. The small group allows for plenty of individual work with your dog. **Limit 12 working spots.**

Approved for: 12 CEU's IAABC - 13 CEU's CPDT (Certified Pet Dog Trainers)

Speaker: Debbie Revell R.N. CDBC has been clicker training animals for over 10 years. She has worked and studied with some of the top clicker trainers in the UK and USA. She is a certified member of the International Association of Animal Behavior Consultants (IAABC), member of the Association of Pet Dog Trainers (APDT) and diplomat of the Center of Applied Pet Ethology (COAPE). She gives seminars on learning theory, clicker training, aggression and behavior modification, and canine and feline nutrition.

Brag, Wags & Congrats!!!

Jackson now has the title FD or Flyball dog. I'm so proud!! He qualified at the Chattanooga Chomp. Ali Gerold

"The Doggy Dash" was a successful show: And ARPH (Aussie Rescue) raised \$280.00 at the show!!! YEAH!!! Thanks to those who donated raffle items, it was very much appreciated! Gail Z.
